# Spirit Week

Was it a busy week? "You bet!" This is one of the busiest weeks of the year for the student body. The hard work paid off for everyone.

The annual spirit week gave the students a chance to show off their school pride. This year it was held during the week of October 17 thru 22nd. During that week all students were to dress according to the day Monday was grub day, Tuesday was class color, Wednesday college day, Thursday was dress up day, and Friday was blue and white day. Friday was also the day the assembly was held to find out the final victors.

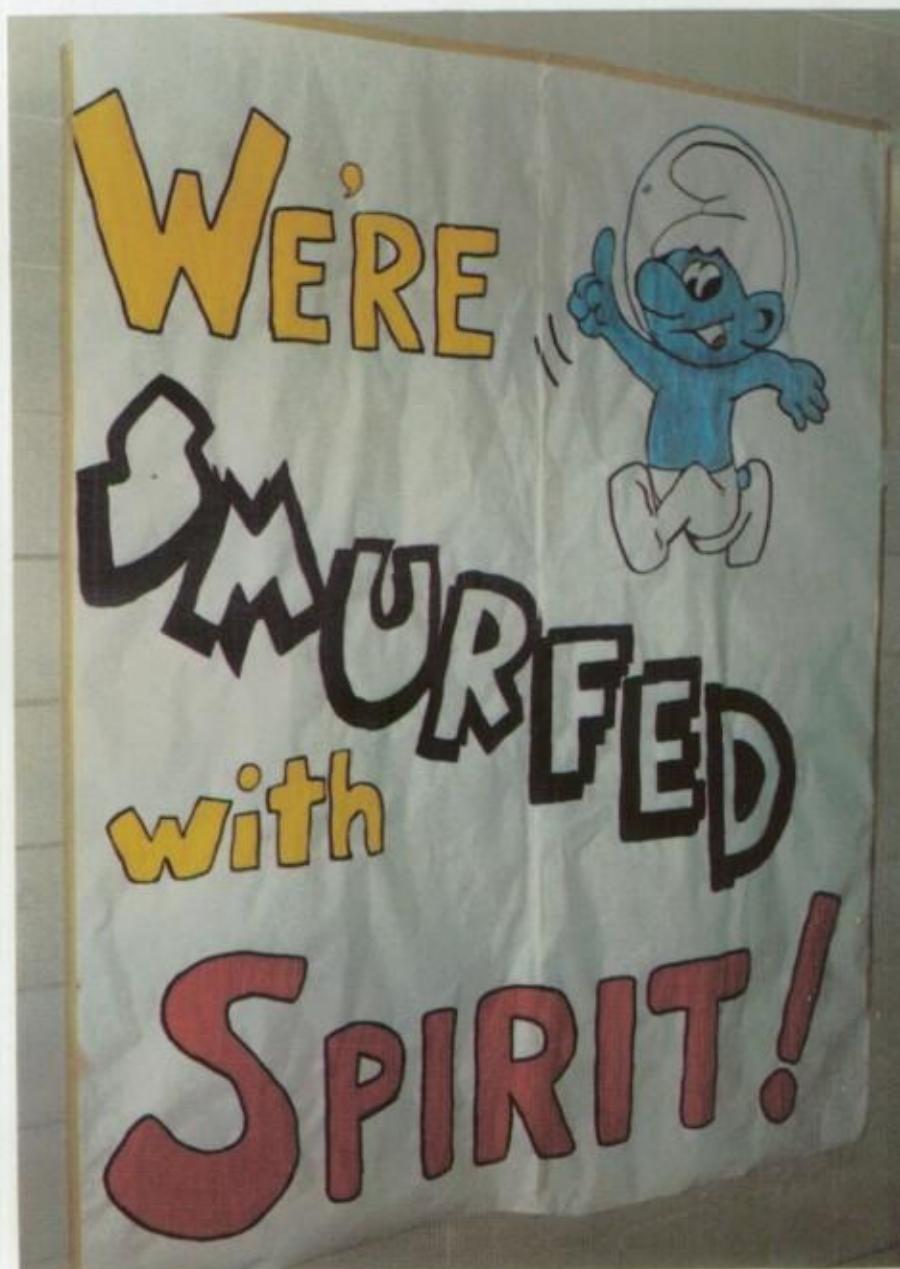

Each class was assigned to a hall and a theme. The halls were decorated and judged on originality and quality. For the third year in a row, the class of 85 came out on top, their theme was "Junior Jedi". The Sophomore class came in second with "Sophomore Surf", the Freshmen in third with "Freshmen Fairytales", and the Seniors in fourth with "Senior Scrapbook."

This was the second time a team had won two years in a row. The senior team was led to victory by their coaches Mark and Russ Ruhaland. # Graduation

Graduation day for the class of '84 came and went quickly. After spending four years at J.G. the class assembled all together for the last time to hear parting words from the Class President Marcia Thomas, and to end the ceremony Principal, Mr. Hileman. The day was a milestone in everyone's life, an ending but yet a new beginning. For most, plans were already made for the next year but some still had that decision to make. Whatever situation they were in, the turning of the tassel had a very special meaning. GOOD LUCK CLASS OF 1984 . . .

A memory is a picture  
tucked away in your heart  
to make a happy moment  
last a long, long, time . . .

May the many happy memories of your '83-'84 school year be the kind that are special ... the kind that make you SMILE.

The 1983-84 Blazon Yearbook was put together by the students, for the students. Yearbook class was not offered this year so the production of "The Kids Are All Right" was done on our own time. Some skeptics said it couldn't be done, and even with the many problems we did encounter this "Last Page" is proof that we accomplished what we set out to do.

I sincerely hope this book brings back many memories for everyone of the past school year.
